Return to CIA Library

13 June 1949

1. Indonesian Republic officials believe the Dutch are instrumental in spreading Communist-like anti-Sukarno, anti-Hatta propaganda in Jogjakarta.
2. One reason for this belief is the fact that propaganda leaflets are often printed on rotor presses, a type of press that is not available to any group in the Jogjakarta area, and on a type of paper not obtainable in that area.

16 June 1949

3. The Sultan of Jogjakarta believes that the Dutch are trying to sabotage the cease-fire order* in and around Jogjakarta and that the Dutch are distributing some of the anti-Republican leaflets being circulated.

25X1A * [REDACTED] The actual cease-fire order has not been given. yet. The Dutch and the Sultan of Jogjakarta both issued a preliminary modified order.

This document is hereby regraded to
CONFIDENTIAL in accordance with the
letter of 16 October 1978 from the
Director of Central Intelligence to the
Archivist of the United States.
